*The tuition, fees, and charges posted here are estimates based on currently approved amounts. These figures may not be final. Actual tuition, fees, and charges are subject to change by the Regents of the University of California and could be affected by State funding reductions. Accordingly, final approved levels (and thus a student’s final balance due) may differ from the amounts shown.

Campus-based fees reflect 2017-18 estimated fee levels and are subject to UCOP and/or campus processes and actions mid-July 2017. Accordingly, final figures are subject to change and may differ from the amount shown.

[1] All new Undergraduate, Graduate Academic, and Graduate Professional students admitted for the 2016-17 academic year will be charged a one-time, life-time document fee of $150.00. Graduate students in the strictly professional degrees (M.D., J.D., D.V.M. and M.B.A.) are excluded and will continue with Pay-per-service charges. More information about the document fee is available at https://registrar.ucdavis.edu/local_resources/docs/doc-fee/document_fee.pdf.

[2] The University of California Regents mandates that all students have health insurance. UC Davis automatically enrolls all registered students in the UC Student Health Insurance Plan (UC SHIP). If students have comparable insurance and do not want to be enrolled in UC SHIP, they must apply for a UC SHIP waiver by the date specified for their school. More information about the UC SHIP is available at http://shcs.ucdavis.edu/insurance.

[3] A one-time fee of $159.00 is charged to entering students who hold a F-1 or J-1 visa, excluding UC Education Abroad and non-UC Davis sponsored students (i.e. Fulbright or Vietnam Education Fund). More information about the International Student Administrative Fee is available at https://siss.ucdavis.edu/students/fees_tuition.html.
